

Permission To Photograph Your Child At Kenagi

We would like to invite a photographer along to the club to take some shots for publicity purposes. Obviously this may involve your child being in some of the photos so we would like to ask your permission to use any photos containing images of your child for these purposes – on our website, in media, newsletters and other areas of publicity. We will never reference your child by his or her full name or provide any specific information regarding your child. We also will never sell these pictures; we will use them exclusively for the Kenagi Club's purposes.

Please take a moment to let us know your preferences regarding our use of photos of your children:
